As fellow enthusiasts we are very pleased that you are now considering joining us. The Club is now well established with a membership of over 600 world-wide and still growing.

Our aim is very simple: To make the ownership of your Francis-Barnett as enjoyable and rewarding as possible and keep the F.B name alive even though production ceased in 1966 by:

- 1) Keeping a library of manuals and spares catalogues which can be photocopied to assist member's restorations.
- 2) Producing a quarterly magazine devoted to F.B matters e.g. rides, rallies, exhibitions, spares and histories etc.
- 3) Dating and ageing services and/or assistance in allocation of an age related number.
- 4) We aim to create groups throughout the country.
- 5) To hold an annual gathering incorporating the Annual General Meeting.
- 6) We have a Spares Officer, who has built up a holding of cycle and engine stocks, although some spares are virtually unobtainable, the club does make every effort to help.
